ROCK ME TO SLEEP MOTHER.

The subjoined peem-we know not who wrote in it-is one of the most beautiful of its kind we STORE!! have ever seen. We do not envy the soul which does not thrill to its wild and tender music: Backward, turn backward, oh time, in your flight ; Make me a child again, just for to-night ! Mother, come back from the echoless shore, The arrival of the moneter Steam ship "Gi cat Take me again to your heart as of yore-Eastern," in New york did aut produce a greater Kiss from my forehead the furrows of care, excitement than will D. Me Williams by exhibiting Smoothe the few silver threads out of my hair-Over my slumbers your loving watch keep-Rock me to sleep, mother-rock me to sleep!

Backward, flow backward, oh, tide of years ! FALL AND WINTER GOODS I am so weary of toil and of tears-FALL AND WINTER GOODS Toil without recompense-tears all in vain-FALL AND WINTEK GOODS Take them and give me my childhood again ! I have grown weary of dust and decay, Weary of flinging my soul wealth away-Weary of sowing for others to reap : Rock me to sleep, mother-rock me to sleep!

NOW FOR BARGAINS Tired of the hollow, the base, the untrue, NOW FOR BARGLINS Mother, oh, mother, my heart calls for you! NOW FOR BARGAINS Many a summer the grass has grown green, Blossomed and faded-our faces between-Yet with strong yearning and passionate pain, Long I to-night for your presence again ; Come from the silence so long and so deep-FOR HE IS DETERMINED TO SELL Rock me to sleep, mother-rock me to sleep! FOR HE IS DETERMINED TO SELL

FOR HE IS DETERMINED TO SELL Over my heart in days that are flown, No love like mother love ever has shown-No other worship abides and endures Faithful, unselfish, and patient, like yours, None like a mother can charm away pain From the sick soul and world-weary brain; Slumber's soft calm o'ver my heavy lids creep-Rock me to sleep, mother-rock me to sleep !

Fall on your shoulders again as of old-Let it fall over my forehead to-night, Shading my faint eyes away from the light-For with its sunny edged shadows once more, Happ'ly, will throng the sweet visions of your, Lovingly, softly, its bright billows sweep-Rock me to sleep, mother-rock me to sleep !

Mother, dear mother, the years have been long Since I last husbed to your lullaby song-Sing then, and unto my soul it shall seem Womanhood's years have been but a dream ; Clase to your arms in a loving embrace, With your light lashes just sweeping my face, Never hereafter to wake or to weep-Rock me to sleep, mother-rock me to sleep!
